I have often been approached about lists of fellowship opportunities. I am obviously not a catalog of all opportunities, but I do have a few suggestions about how to go about searching for fellowships.

1. See the next page for fellowships that do not have citizenship restrictions. This list is somewhat dated, so double-check eligibility requirements.  
   http://grad.berkeley.edu/financial/deadlines.shtml - extramural

2. Search the Grad School pages of prominent institutions. They typically maintain lists that are more comprehensive and detailed than UGA. Be aware that I do not update the links periodically, so just use Google to find the new page if not redirected by the link.  
   http://sciencecareers.sciencemag.org/funding
   http://grad.berkeley.edu/financial/fellowships_resources.shtml

3. Search online databases.  
   http://sciencecareers.sciencemag.org/funding
   http://grad.berkeley.edu/financial/fellowships_resources.shtml

4. Many opportunities exist for certain demographic groups.  
   women: http://www.aauw.org/learn/fellows_directory/  
   women over 40: http://www.aarp.org/aarp-foundation/info-2010/scholarship-opportunities.html  
   non-traditional students: http://www.finaid.org/otheraid/nontraditional.phtm,  
   http://www.adultstudentgrants.com/  
   underrepresented groups: http://www.grad.berkeley.edu/financial/fellowships_resources.shtml

Good Luck,

WKS
**Private Funding Organizations without US citizenship restriction**
(Open to US citizen and non-US citizen and permanent resident applications)

Alpha One Foundation (alpha 1-antitrypsin deficiency)
American Association for Cancer Research (AACR) Research Fellowships
American Brain Tumor Association
American Heart Association
American Liver Foundation (must apply in the first two years of postdoc)
American Lung Association (ALA) Senior Research Training Fellowship Award
American Physiological Society (APS) (Postdoctoral Fellowship in Physiologic Genomics)
American Society for Microbiology/CDC
Arthritis Foundation**
Cancer Research Institute (CRI)** Postdoctoral Fellowship Program
Christopher Reeve Paralysis Foundation
Crohn’s and Colitis Foundation of America**
Damon Runyon-Walter Winchell Foundation Cancer Research Fund** (must apply in first year of training)
Dermatology Foundation**
Eppendorf and Science Prize for Neurobiology
GlaxoSmithKline Foundation for Cardiovascular Disease
Helen Hay Whitney Fellowship (must apply in first year of training – extremely competitive)

Hereditary Disease Foundation**
Hunter’s Hope Foundation Leukodystrophies
Huntington’s Disease Society of America**
Human Diabetes Foundation
Human Frontier Science Program (funds international fellows to work in US Labs/US fellows to work in foreign labs): Brain functions, Molecular Approaches to Biological Functions

Jane Coffin Childs Memorial Fund for Medical Research
Juvenile Diabetes Research Foundation International (JDRF) Postdoctoral Fellowships and Advanced Postdoctoral Fellowships
Komen Breast Cancer Foundation
Leukemia and Lymphoma Society’s Career Development Program for Fellows and Special Fellows

Life Sciences Research Foundation (LSRF) Postdoctoral Fellowship Program
Lupus Foundation of America
Muscular Dystrophy Association ("research development" grant)
National Alliance for Research on Schizophrenia and Depression**
National Hemophilia Foundation**
National Kidney Foundation**
National Multiple Sclerosis Society**
Polycystic Kidney Research Foundation
Society for Academic Emergency Medicine Fellowships**
United Mitochondrial Disease Foundation

** Organizations which also have designated awards for new investigators
Private Funding Organizations with US Citizenship Restrictions
(Open only to US Citizen and Permanent Resident Applications)

American Association of University Women: American Fellowships
American Cancer Society**
American Federation for Aging Research**
American Heart Association Great Rivers Affiliate Postdoctoral Fellowship
American Institute for Cancer Research (AICR) Post-Doctoral Grant Awards
American Lung Association** (must apply within the first three years of training)
Cystic Fibrosis Foundation Post Doctoral Research Fellowships**
The Epilepsy Foundation**
Lalor Foundation, Inc (reproductive biology)
Leukemia Research Foundation**
National Research Council (NRC) Research Associateship Programs (RAP)
Pfizer Postdoctoral Fellowships (Rheumatology/Immunology, Cardiovascular Medicine,
Infectious Diseases, Biological Psychiatry)
PhRMA (Pharmaceutical Research and Manufacturers of America) Foundation
Fellowship Awards in Health Outcomes, Informatics, Pharmacology/Toxicology
And Pharmaceuticals

March of Dimes

Policy Awards
AAAS Science and Technology Policy Fellowships
Christine Mirzayan Science and Technology Policy Graduate Fellowship Program

** Organizations which also have designated awards for new investigators

Local Organizations
* Healthcare Georgia Foundation
* Robert W. Woodruff Foundation
* CDC Foundation (not CDC)
* GCC
* Cousins Foundation
